Pastor Kim's Message

Brothers and Sisters,

You have to wonder how many folks were thinking: “is it worth it?”

The colonies were still fairly new, most of the country was still unexplored, and there was a great deal of security in keeping things the same. But yet, there was this group pushing for change...

There were so few of them that it seemed as if the idea itself would just die out and fade away. But they were persistent, determined, and recognizing the risks, were willing to do something incredibly crazy: they, drafted, signed, and organized under the Declaration of Independence. Families were split, businesses were lost, and lives dramatically changed. Yet there are none gathering today to question the importance of that change.

We can identify with that; after all, Christ's United is a congregation of change. Back in 1969 the union of ministry between six congregations was unheard of in this synod and the Lutheran Church in America. The formation of a new identity, the reorganization of pastors, the building of a new home – all – was something incredibly crazy, and extremely risky. Yet there are none gathering in worship today to question that change.

After pushing for a change in our confirmation program last year, last week seven youth and two adults ventured to Gettysburg for a week long retreat. The new program focused on experiential learning, gathering in two short retreats and one long one for a combination of intense biblical study combined with service (and of course a LOT of play). The program is anchored by a peer discussion group for Senior Youth on Sunday mornings. There were those folks who were thinking “was such a change worth it?”

Ask the youth who went to Gettysburg last week. Ask them about living in the wilderness of fear and mistrust, and the lessons of God that we learn to carry us through. Ask them about manna, and God's presence in their lives. Ask them about the importance of the Sabbath, and how Jesus gives all the ability to see. Listen to them speak of their faith, and there will be none to question that change.

— continued on page 4

And now there is a new push for change among us: the addition of a contemporary worship service, a service with more music and teaching sermons, a service designed to reach out to the younger non-churched people around us. The service will add more responsibilities, more time, and more costs. And there are those who will wonder, “is it worth it?”

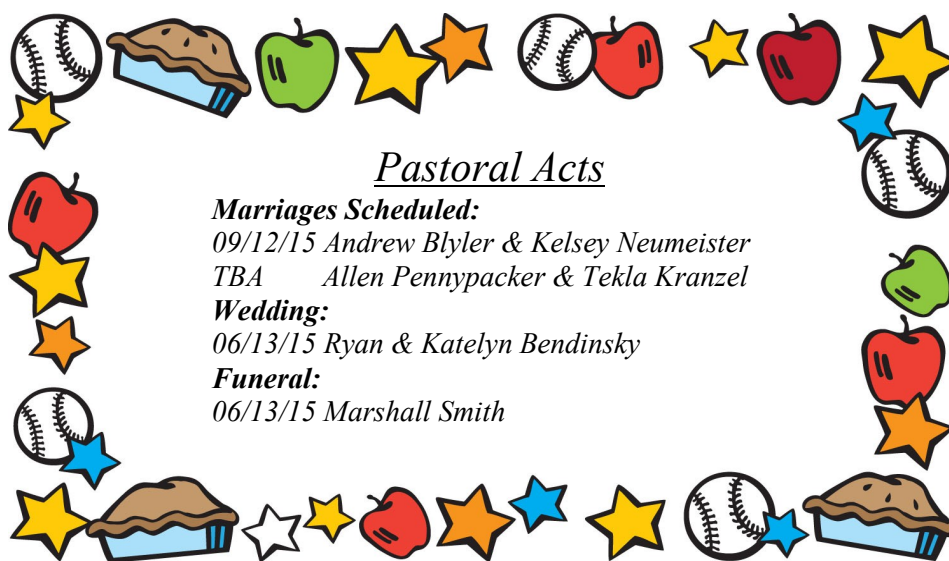

In truth, I don't know. What I do know is that there are more and more people aged between 16 and 40 who have no connection with Jesus Christ. What I do know is that our liturgy was written for a specific group of the faithful many hundreds of years ago. What I do know is that if we don't try, we have already lost.

I ask you to join with me in exploring this new change amidst us. Ask questions, offer prayer, and open your heart. Think about those you know who do not have a relationship with Jesus Christ, and ask yourself : “are they worth it?”

I hope so... Because Jesus died for them as well as for you and I. So let's give this change a try: together.

Peace,

Pastor Kim

Ministry of the Month

EVANGELISM TEAM

Outreach does not reflect on the length of our arms, but that our arms are open to all. In July we work to make our church a warmer place both within and without our walls and community.

The month of July we are given the opportunity to serve after our church service. However, our committee is given the opportunity to serve throughout the year.

Evangelical Outreach is the life blood of Christianity. By doing as Christ instructed, both we and the church will grow continuously.

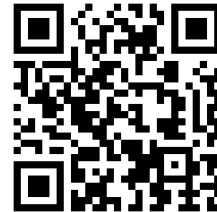

The Evangelical Outreach Committee would like to invite everyone to attend at least one meeting this year to share ideas and visions. Remember Evangelism Outreach is a part of every Christian.

It's what we do!

Give Electronically

A special message for summer travelers

Would you find it helpful to have your offerings debited directly from your bank account as you probably do with other obligations? **Christ's United** offers electronic giving for those of you who wish to have contributions transferred electronically to the church's account. If you have plans to travel this summer, electronic giving gives you a convenient way to keep up with your intended offerings. Simply scan the QR code here to find out

Come & Worship!

Worship is the central part of our life together at Christ's United. In it we reconnect with families, friends, and most of all, God. Throughout the winter we were hampered in our ability to get to worship, but now the snow and ice have passed and the Summer sun is in the sky. Please use this wonderful weather to join in the gift of worship either on Saturdays at 5 pm or Sundays at 9.30 am. It's a great time for our family's reunion!

Christmas-at-Sea

Would you like to bring joy to seafarers who will not be home with their families for Christmas? Join Christ's United's Social Ministry Team in helping bring Christmas joy to those at sea.

Port chaplains from Seafarers International House bring satchels filled with gifts to the ships they visit in the weeks prior to Christmas. Later, on Christmas Eve or Christmas Day, when the ship is in the middle of the ocean, the captain holds a holiday celebration and every crew member will open their satchels, each containing the following items:

- One Sweatshirt – hooded or unhooded (size L-XL),
- Three Pairs of Socks – thermal or white gym,
- One Casual Pullover T-Shirt (size M-L),
- One Knit Winter Cap,
- One Can of Nuts or Large Bar of Chocolate

(You pick the colors, styles and brands you wish, but please no substitutions from the list. The Christmas-at-Sea satchels should be comparable for each member of the crew).

We will be collecting donations during the month of July, please see the display in the Narthex.

What might otherwise have been another lonely night at sea becomes a joyous occasion, not just because of the beautiful gifts received, but because complete strangers ashore have taken the time to share the spirit of Christmas with these otherwise forgotten seafarers. Typically, a completely filled satchel costs about \$25.

A group from Christ's United will be going to NYC to see and tour Seafarers House on June 29.

We Offer our Prayers to...

Members of Christ's United:

Dean & Barb Fetterolf, Jennie Kosmisky, Jim Hepler, Harold Wink, Barb Liem, Rick Lorady, Kolby Cress, Marlene Lucas, Betty Miller, Emma Fishburn, Robert Schneider, Loretta Cook, Nancy Kessler, Jill Amend, June Sweinhart, Desiree Dengler, Nelson Berger Sr., Morgen Sweitzer, Tanner Walacavage

Of all the characters in the Bible, perhaps Joseph is the best parallel to the character of Jesus. During a time of an "eye-for-an-eye and tooth-for-a-tooth" mentality, Joseph's story of forgiveness and integrity has made this Bible story a timeless truth, inspiring generations of men and women to walk upright in the midst of great temptation.

Sight & Sound's depiction of this classic story magnifies the many qualities that make *Joseph* appeal to people of all ages.

Experience a cast of 45 professional adult and child actors and dozens of live animals on the stage and in the aisles. Witness several amazing dream sequences, including Joseph in his colorful coat "flying" above the audience. Sight & Sound's larger-than-life staging features scenes like the spectacular Egyptian palace, which spans 300 feet and wraps around three sides of the audience. 20 original songs add to the excitement, helping Sight & Sound live up to its motto: "Where the Bible comes to life!®"

Please make checks payable to: Christ's United WELCA.

TAKE THE PLEDGE – RELATIONSHIP REHAB!

The theme of the God’s story is relationship: with God, with each other, and with creation. But our relationship has been broken, and there are a lot of things in our world today that seek to pull us even further apart.

To help us rehabilitate and repair relationships, the Stewardship Ministry Team is challenging Christ’s United in the Two Hour Turn Off. Once per week, turn off all electronic devices (computers, cell phones, telephones, televisions, etc.) and do something together as a family or with friends.

Sign up on the bulletin board and make the pledge!

Visioning Committee

Our Mission Statement calls us to re-examination: to constantly review our ministries to insure that we are on the path that God has laid before us in reaching His people. A group will be gathering to do just that. Gaining understanding into the differences between age groups, including learning styles, interests, and needs, the Visioning Committee will review our worship life, educational, social, and outreach ministries. It is hoped that their insights will help us as we continue to respond to God’s call for ministry. If you are interested in learning more about the Visioning Committee, please talk with Pastor Kim.

INSTRUMENTALISTS *Needed*

Can you play?

Music unites all people, and develops relationships beyond the ability of words. Christ’s United is working to gather those who have an ability (or interest) in playing any instrument for a new worship ministry at

Christ’s United. If you tickle the ivories, blow a mean trumpet, make a guitar sing, or just dream about any of these things, please speak with Steven Wolfgang, Keith Morgan or Pastor Kim.
