Pastor Kim's Message

Brothers and Sisters,

April showers bring May flowers...

It's time. Spring is here. The weather is warming up, the days are longer, and the earth is calling: it's Garden Time. Wouldn't it be nice if we just took a pack of seeds, threw them down, and then had more tomatoes, squash, peppers, beans - and everything else - so much so that everyone we know has some?

But it doesn't work that way. What grows, is dependent on what happens before.

Putting in new beds, getting good soil, mixing in the food, checking the seed quality, planting, watering, weeding - it's more than dropping the seeds - it is a lot of work. It takes preparation to have a good garden. Truth is, even though it seems like a lot of work, once we're in it, we love it, don't we? That feel of doing, of turning the soil, of seeing the new life start, gives you a sense of glowing warmth inside.

It's not different with faith. What grows, is dependent on what happens before.

Just a few short days ago, we celebrated what has happened before: Jesus Christ, the son of God, was raised from the dead, forever. With shouts we came together on Easter morning to greet Jesus as He was raised from the dead, as new life emerged from the ground, life beyond our mortal years, life beyond what we imagine, life eternal, life God gives to us to grow.

— continued on page 4

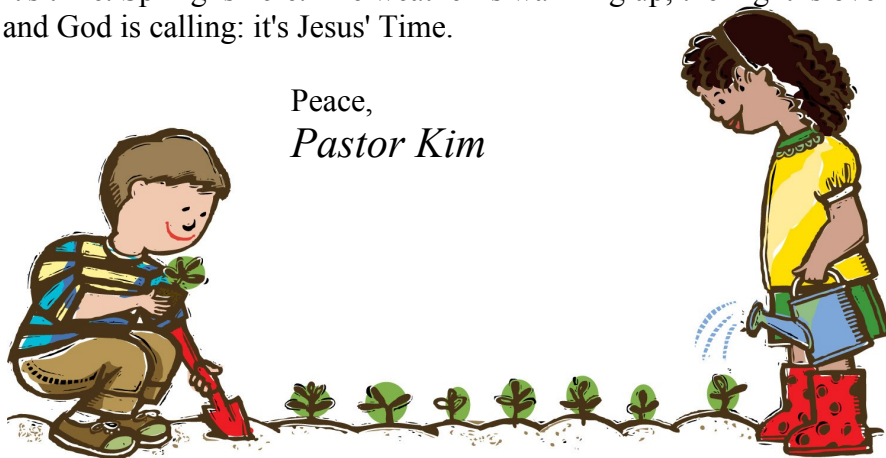

But this life will not grow if put to bed, to root deep within us. It needs light. It needs food. It needs water. It needs more than saying "Jesus is Lord" with our lips: it needs our hearts, minds, souls, and strength to *show* Jesus is our lord, so much so that there is enough to tell everyone we know.

Worship, daily Bible readings, group learning, in depth studies, service to others – faith is more than just standing in a church service – it can be a lot of work. It takes preparation to grow God's garden of faith. Truth is, even though it seems like a lot of work, once we're in it, we love it don't we? That feeling of being with God, seeing the new life emerge is us, gives us a sense of glowing love inside.

This month begins a new understanding of prayer, meeting on Tuesday nights at 7. The Journey continues as we grow together Sunday mornings at 11. Christ's Cupboard meets the second week of each month for hands on ministry. Daily Bible reading guides are printed each week in the bulletin, and more available on the information racks in the hallway. Each week at Christ's United is new opportunities, new nurture, new growing. Each week at Christ's United is worship, Saturdays at 5 and Sundays at 9.30. Each week is something your faith needs, to grow.

It's time. Spring is here. The weather is warming up, the night is over, and God is calling: it's Jesus' Time.

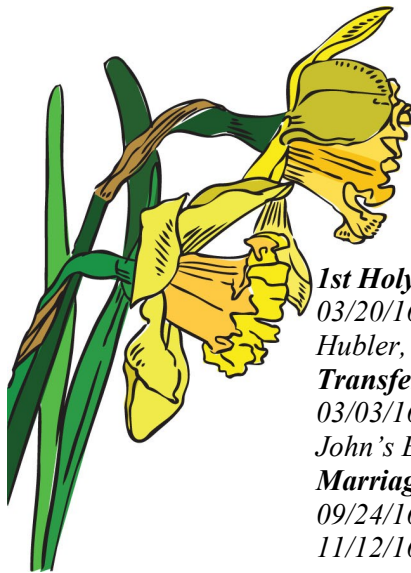

Peace,
Pastor Kim

Church Council Highlights from February:

- Ann Marie reported that the income for February was \$16,999.53 with expenses being \$16,123.69, netting ordinary income of \$875.84.
- Committee Security: John Denchak proposed that we create a new committee on safety.
- Council Members: John Denchak had mentioned at the Council Retreat the idea of elders visiting the sick, praying for them and anointing them according to the writings in the book of James 5:13-16. Council represents the elders or leaders of the church. John felt that it would be a good idea if maybe once a month we could go, along with the pastor, and visit someone who is sick.
- Church Council made a motion to second Personnel's resolution to hire Bill Price as Outdoor Custodian.

Praying with Our Eyes – *and Hearts* – Open

We have learned to put our hands together and close our eyes when we pray, but what if that is not what God calls us to do? What if prayer is not a thing, but an action? Come and explore God's call to see and feel prayer in your life Tuesdays at 7:00p.m.! Our journey begins on April 5th, no tickets necessary. See you there !

Stewardship

The Stewardship Team is at it again! Seeking to help the people of God find a balance in life by following our baptismal charge – let your light so shine before others that they may see your good works and give glory to your Father in heaven – there are several programs in the works:

It's back! Financial Peace University is coming to Christ's United once again! FPU helps us get out of debt and into a biblical model of controlling our money (instead of money controlling us!). The new class is forming, so sign up now. Cost will be \$90 for the class and all materials.

Youth need FPU too! Credit cards and college seem to go together, leaving our youth with a great education – and a great debt load. A special version of FPU designed specifically for youth is coming this Summer – but don't wait – reserve your spot now and reap the benefits for years to come!

The Stewardship Team designs programs for our congregation and community that teach us how to use the time, talents, and treasures we have been given to glorify God. If this ministry interests you, please talk with Jim Gruber or Richard Berner about using your gifts in this way!

Endowment Committee Meeting

All committee members are asked to attend a meeting on Monday, April 4th at 6:30pm to welcome new members and to nominate new leaders.

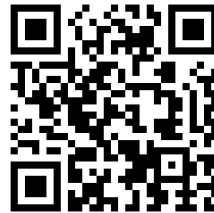

Give Electronically

Enjoy the Convenience of Electronic Giving

At Christ's United it is important to know what support we can depend on from our congregation members. By knowing what you are willing to commit financially, we are able to better plan for the future. Please consider setting up a recurring giving plan.

Automating your financial commitments means your contributions will be received on a steady, uninterrupted basis.

To set up a recurring giving schedule, visit us online at www.christsunited.org, locate the Online Giving button and set up your recurring giving schedule. The first time you give, you will select a password that will enable you to log in at any time and make changes to your giving or view your complete online giving history. Or if it's easier, just scan this QR code to get started.

April Fools' Day isn't a religious holiday, though it may date to Pope Gregory XIII and his new calendar. In 1582, he shifted New Year's Day from April to January, and people who didn't believe the change were called April fools.

April Fools' Day may also be connected to the lightheartedness that comes with warmer weather, as well as to medieval Christian festivals that involved pranks, disguises and a temporarily inverted social order.

Yet, in Scripture, such reversal characterizes the kingdom of God. In 1 Corinthians 1:18-25, St. Paul writes that the gospel seems foolish to people who don't know Christ, that God uses the "foolishness of our proclamation" to offer salvation to all and that God's foolishness is wiser than human wisdom. Jesus "foolishly" inverted the social order, saying the last will be first and the first, last.

So if on April 1 – and every day – we live as "fools for Christ," we're precisely what he calls us to be!

The Fire Alarm went off... and we sat there.

We all knew it wasn't an emergency: but what if it was? Where would you go, who would guide us? When a visitor comes into worship, how do they find what they need to know they are welcome? What happens when someone gets sick during worship? These are some of the questions that will be answered as we gather a new Safety Ministry Team together to talk, learn, and plan. Christ's United is committed to a ministry of welcome, and making sure that everyone is safe is a big part of that feeling. If you have a calling to welcome others, and for more information, please speak with John Denchak.

Cans for Kids Campaign!

The warmer weather means that we will be out and about, working in our gardens and walking our neighborhoods. Take a part in the Cans for Kids Campaign and help the environment and you at the same time. Just carry two grocery bags with you, picking up litter

for one bag and aluminum cans for the other. Put the litter in your trash, and bring the cans to Christ's United, where they will be transformed into youth ministry events!

Spring training has begun!

And EVERYONE has made the team – ALL Acolytes and Crucifiers need to be at the big event on Saturday, April 16 beginning at 9:00 a.m.! We will learn what it means to be a LEADER of worship. We will learn about everything from how to tie the knot on your robe to how to help during Holy Communion. Sign up now – and reminder – EVERYONE NEEDS TO ATTEND!

WHO ARE

These People???

Each month we like to have a different picture from long ago. This month's picture is of St. Peter's Chapel from 1944.

We are in need of more photographs. If you have any to share, please bring them into the church office for Erik to scan into the computer.

If you have any old pictures from Christ's United or any of the chapels that formed Christ's United, please provide pictures to the church office to be included in future "Life Together" Newsletters. Also provide the names of those that are pictured. I am also looking for pictures of the exterior of the Chapels: St. John's, St. Paul's, St. Peter's and Zions. Thank you!

Faith and love

The two chief things are faith and love. Faith receives the good; love gives the good. Faith offers us God as our own; love gives us to our neighbor as his own.
