Pastor Kim's Message

Brothers and Sisters,

What if you could change the world? What would you do?
Feed the hungry. Cure Cancer. World peace.

The list is endless. It is a thought that we each pondered at some point in our lives: a moment of seriousness, followed by a forced laugh and a deep yearning. But that is where it ended, because deep down we each know that we could never change the world.

Or could we?

A man was walking along the beach after a severe storm. The beach was filled with starfish, thousands of them, washed ashore by the storm and helpless upon the sand. As he walked along stepping between the dying fish, he came across a young boy.

The boy was picking up the starfish, one by one, and flinging them back into the sea.

“What are you doing?”, asked the man. “I’m saving these starfish”, said the boy, without pausing from his focus. “You can’t possibly save these starfish” said the man, “there are too many of them. You can’t make a difference.”

The boy paused, and looked at the starfish in his hand. He then looked up at the man and said, “it will make a difference to this one”, and flung the starfish into the sea.

The truth is, we each do have the power to change the world –
one person at a time.

— continued on page 4

It does not require special talents, special knowledge, or special wealth: to change the world all you need, is special love. The love that grows so big inside of you that it spills out into the lives of others:

The love of God in Jesus Christ.

When the people asked when they did not respond to Jesus – no food when He was hungry, no drink when He was thirsty, no welcome, no clothing, no visit – Jesus will answer them, ‘Truly I tell you, just as you did not do it to one of the least of these, you did not do it to me.’ (Matthew 25.45).

One meal, one welcome, one gift, will change one life: yours. And once you change, you see the world in a whole new and different way. Suddenly we don’t see the overwhelming need, we see the possibility of making a difference. We no longer see our weakness, but instead see strength. We no longer feel our inability, but are driven by God’s power of endless love.

What if you could change the world?

Brothers and Sisters,

You can.

Peace,

Pastor Kim

Church Council Highlights from October:

- Last month has been an incredible month for several reasons: Financial Peace is doing well with approximately 14 people attending. Christ's United is the only place in the county offering this program. Gordon Senior Citizens have moved in and the ranks are growing. The Visioning Team is working toward understanding the value and purpose of the different generational groups. The Worship Service was designed for the World War II generation. Two of the new members have asked to be part of the Visioning Team. The First Responders had a great time and were well-received. Journey has had a fantastic response with not less than 10 kids on a Sunday. In October, 19 dogs and cats were present for the Blessing of Animals. We need to keep up with this positive momentum.
- The Live Nativity Scene meeting is on 10/15. We are looking for as many representatives from the various Ministries as possible. Keith is soliciting choirs from the community to provide the music.
- The men are handing out Pork & Sauerkraut tickets for the supper on 11/14 4-7pm.
- Kitchen freezer compressor stopped working this week. According to Antz, a new compressor with a 1- year warranty would be \$1,044 and to add 4 years it would be another \$45. A new stainless steel freezer would cost \$1,395.00 with a 5-year warranty. Jim Chappell said that LCM would be willing to split the cost with WELCA.
- The Property Committee will spearhead Blue Jean Sunday on November 15 immediately after Journey. They will come up with a list of work projects including carpet cleaning, kitchen house cleaning, and work on the church perimeter.

We will attend church services at 5:00 p.m. and then make our way to the bowling alley for a night filled with fun and laughter.

Junior Youth (ages 6-11) will be hosting a Video and craft on Nov. 21st from 2pm until after Saturday service. Bring your favorite pillow and/or blanket while we watch a fun movie together. Next an interesting snack.

Then we will make a craft together and end with attending Saturday service. Come out and have some fun!! If you have a younger sibling under 6 they are invited as well with an attending adult. Hope to see you all there!

A saintly party

A priest told the children of his parish they could come trick-or-treating at the rectory, but only if they dressed up as a saint. So a group arrived on the eve of All Saints' Day: one dressed as St. Anthony, one as St. Joseph, another in a St. Clare costume – and then a child dressed as a dog.

“My boy,” exclaimed the priest, “you were supposed to come as a saint.”

“I did!” replied the child. “I’m St. Bernard.”

The Endowment Committee is pleased to announce that during the worship service on **Sunday, November 29th**, the following 7 students will receive a scholarship check to assist them in furthering their education.

Ian Bendinsky is attending Lehigh Carbon Community College for Art.

Rhonda Carl is attending King's College for Neuroscience and minoring in Chemistry and Business.

David Hall is attending Penn State University for Mechanical Engineering.

Kaitlyn Neumeister is attending Lock Haven University for an Associate's Degree in Nursing.

Azure Waldick is attending Penn State University for Criminal Justice.

Taryn Wilson is attending Shippensburg University for Early Childhood and Early Intervention.

Trevor Wilson is attending Johnson College for Diesel Technology.

Please attend this service to show your support and offer prayers for a successful future.

There will be a special offering for the Endowment Fund on November 7 & 8. Please be generous to support our youth in their future endeavors.

Adopt-A-Highway

A very special thanks to the volunteers who assisted in keeping our stretch of Route 901 clean and orderly last month. We look forward to seeing all of you again in the fall. Additional volunteers are needed.

Ministry Budget

Why can't we just use our old budget: we've done it that way for years!!! In the past the type of budget we used at Christ's United is called a "line item budget". There are categories for different expenses like electric and propane, and also for different ministries like Christian Education or Worship. What a Line item Budget does not tell us however is how much we spend on *doing* ministries like Christian Education or Worship. As the Church of Jesus Christ, God calls us not just to be but to do – and that raises some questions that a Line item Budget can't answer – questions like how much electricity and propane do we use to *do* Christian Education and Worship?

A "Ministry Budget" tells how much money we need to *do* ministry. The Ministry Budget is broken down into ministry areas instead of line items. Pastor and

Staff time and operational costs like electricity, propane, and even janitorial supplies are broken down and added to each ministry area by percentage of time spent and costs involved. This gives us a much more accurate idea of how much what we do costs, allowing our church to grow with a budget format that grows with it.

WELCA News

We're going to the coast of Italy! Well, not really that far – because Italy has come to us! Join in the fun as we laugh the night away at Lo Duca's, the wonderful Italian restaurant that opened in Cressona. Gather at Christ's United parking lot at 3:30 to carpool – oh, and bring your best story of *romance* – after all, we are going to *Italy*!!

Save the date: Congregational Christmas meal December 13 following the AM worship service. Meats will be provided; watch for sign up for attending and side dishes and desserts.

Praise God!

Plans are underway for a special new service Wednesday evenings at Christ's United using a live band and contemporary music (the kind you can hear on the radio). We are looking for anyone who would like to participate either by leading part of the service, singing, or playing an instrument. Please speak with Keith or Pastor Kim if you are interested.

Bible Study

Luke is the only Gospel not claimed to be written by one of the original disciples of Jesus: so why is it a Gospel? Who was Luke? What did he know and how? Why is his gospel the one most often turned to by churches and Christians throughout the world? Join in the Journey through the Gospel of Luke on Wednesday evenings at 7:00 starting on November 11. Everyone welcome!

It's a Blue Jeans Sunday!

Pull on your favorite blue jeans and grab a hammer and paint brush as you head out to church on Sunday, November 15th! We'll join together in prayer, potluck lunch, and projects to help our church grow inside and out! The project list includes rug cleaning, painting, pavilion upgrades, kitchen clean out, and more – the potluck includes what ever you bring to share – sign up lists are on the bulletin board!

If you have any old pictures from Christ's United or any of the chapels that formed Christ's United, please provide pictures to the church office to be included in future "Life Together" Newsletters. Also provide the names of those that are pictured. I am also looking for pictures of the exterior of the Chapels: St. John's, St. Paul's, St. Peter's and Zions. Thank you!

Advent

Times are a changing! And not just on the clock – as a church we now enter the season of Advent, a time of preparation for the birth of Christ. As a society we prepare by decorating our houses, baking cookies, writing cards – all to prepare for the guests coming into our houses – but what about the guest coming into our hearts?

Prepare your heart this Advent season with worship and prayer, and invite those houseguests to welcome Jesus with their hearts also. See you for special services of worship each week!

Remember to set your clocks back Saturday, October 31.
